TNRD Talks: Recycling – Worksheet – Grades 3-6

1. Write 3 sentences about things you can recycle at home.

2. Give examples of 3 things you can reuse at home and what would you do with them. Bonus: Make a craft with recycled items.

3. Extension: Download your collection guide (either curbside or depot) and help sort recycling into each category.
    a. Curbside Collection Guide
    b. Depot Collection Guide
