

Register your school team for the **Environmental MIND GRIND** Challenge

Learn about local environmental issues and **WIN!**

1st Place - \$500

2nd Place - \$200

Prizes awarded to all participants, with additional prizes for most enthusiastic and most sportsmanlike teams.

The Environmental Mind Grind is a Jeopardy-style trivia contest that allows students in Grades 4-9 to compete against each other in several different categories, such as waste reduction, watershed health, energy conservation, and air quality.

Categories:

Elementary School (Grades 4-6)

Middle School (Grades 7-9)

Study packages are provided! They include all of the information needed for preparation. You may also request special presentations to help your team prepare for the challenge.

**Deadline is
March 31, 2014.
Space is limited,
so register today!**
