Civic Building Front Entrance Now Open

For Immediate Release (October 18/18): The Thompson-Nicola Regional District (TNRD) Civic Building's new front entrance, which has been under renovation since the end of April, has reopened as of October 18.

The new space has created a large foyer full of natural light for hosting events. The entrance will improve visitor flow through the building and features an accent wall with a 3D map of the entire Thompson-Nicola Regional District.

A ribbon-cutting ceremony was held on October 17th to mark the official opening. TNRD Chair P.A. John Ranta stated that, "I recall the opening of this building just over 20 years ago and see this a wonderful addition to the landscape of downtown Kamloops."

Patrons of the Thompson-Nicola Regional Library, Kamloops Art Gallery, and TNRD Administration can enter the new space through the main doors on Victoria Street.
