

Solid Waste Tenders Out this Month

For Immediate Release

(February 13/18): The Thompson-Nicola Regional District (TNRD) has issued invitations to tender for the operations, maintenance, and hauling services at all TNRD solid waste facilities.

The contracts will be for a five-year term and include providing site attendants at each TNRD transfer station, hauling roll-off bins and B-train trailers of garbage and/or recyclables, and landfill operations.

For the purpose of these tenders, the TNRD has been split into three sub-regions — the western TNRD, Thompson Valley and Nicola Valley. The TNRD intends to enter into a separate contract for each sub-region; however, the TNRD may enter into a contract with the same contractor for one or more sub-regions.

The tender documents are available for viewing at tnrd.ca as well as bcbid.ca

A non-mandatory pre-tender meeting will be held at the TNRD Main Office (465 Victoria St.) at 10 a.m. on Wednesday, February 14. All three invitations to tenders close March 12.
