 **FreeGarden RAIN[®]**
55 Gallon Rain Barrel
A \$120 value for only **\$55**

- Unique square shape and attractive neutral color
- Large 55 gallon (208 liter) capacity
- Easily accommodates existing downspouts
- Includes overflow spout and 4' hose to easily link two or more barrels for multi-barrel installations or to redirect overflow away from foundations
- Elevated spigot accommodates watering cans
- Insect resistant stainless steel filter

Rain Barrel

By harvesting rainwater, you can:

- Lower your water bill
- Preserve your well water
- Use water on your own schedule
- Improve your soil's pH balance
- Reduce erosion, flooding and storm water run-off
- Help protect rivers, streams, lakes and the environment
