EVACUATION ALERT

July 14, 2022 at 2130 hrs

An **Evacuation Alert** has been issued by the Thompson-Nicola Regional District Emergency Operations Centre (EOC) in Kamloops, effective **July 14, 2022 at 2130 hrs**.

A current wildfire in **Electoral Area "I" (Blue Sky Country)** poses a threat to life and property for approximately **31** addressed properties in the following areas:

All TNRD properties north of Lytton along Hwy 12, as well as all properties on the west side of the Fraser River and north of Stein River to the Squamish-Lillooet Regional District (SLRD) border, as outlined on the attached map.

This Evacuation Alert is in place to prepare you to evacuate your premises or property should it be found necessary. Residents will be given as much advance notice as possible prior to an Evacuation Order; however, you may receive limited notice due to changing conditions.

WHAT YOU SHOULD DO:

- Locate all family members and designate a meeting area outside the evacuation area, should an Evacuation Order be issued while separated.
- Pack essential items such as government-issued ID, medications, eyeglasses, valuable papers (e.g. insurance, credit, and mortgage information), immediate care needs for dependents or pets, and, if time and space permits, keepsakes for quick departure.
- Make arrangements to stay with family or friends (if possible).
- Prepare to move disabled persons, children and/or neighbours, if assistance is needed.

- Prepare to take pets with you and move livestock to a safe area (if possible).
- Arrange transportation for all your household members. Fill the gas tanks of personal vehicles.
- Arrange accommodation for all members of the residence, if possible.
- Wait for an Evacuation Order to be issued before evacuating. Monitor for information on evacuation orders and location of Reception Centres.
