

# HIGHWAY 1

## INFORMATION & UPDATES

Infrastructure update prepared for residents  
July 2022

Ministry of  
Transportation  
and Infrastructure

### Status

The highway is open. There will be pavement repairs north of Lytton this summer. Travellers should expect delays including reduced speed zones and single lane alternating traffic.

Please obey all traffic control signs throughout the corridor. Check DriveBC for traffic updates.

#### Tank Hill: Open

Anticipated delays: 10-15 minutes

Changes: Traffic light installed and operational; reduced speed limits

#### Falls Creek (Jackass Mountain): Open

Anticipated delays: 15-30 minutes

Changes: Pilot-car for 4km; reduced speed limits

#### Gladwin Culvert: Open

Normal operations

#### Nicomen River Highway 1: Open

Normal operations

### Vehicle Specifications

Oversize and overweight permit restrictions are in place for travel on Highway 1 between Hope and Spences Bridge.

Highway 1 between Boston Bar and Lytton loads are limited to:

- Maximum overall width of 3.8m
- Weights as outlined in the [Commercial Transport Regulations](#) (overweight permits are not available)

Loads outside these dimensions are required to contact the provincial permit centre and use an alternate route (i.e., Highway 5 Coquihalla, Highway 1 or 97C) to access Lytton and surrounding areas.

These restrictions are necessary to ensure the safety of all highway travellers.

### The Highway 1 Team

Jennifer Fraser  
Executive Project  
Director, MOTI

Brian M. Taylor  
Regional Project  
Manager and Corridor  
Director, MOTI

Dawn Drummond  
Director, Indigenous  
Relations, Southern  
Interior Region, MOTI

Brad Bushill  
Thompson Nicola  
District, Operations  
Manager, MOTI
