WHAT IS ... HOUSEHOLD GARBAGE?

Solid waste generated from the day to day activities of households and non-industrial businesses. Typically, this waste will fit in bags but can include larger items used around a property such as a garden hose.

DRC?

(Demolition, Renovation, and Construction)
Solid waste generated from activities such as renovations or industrial work. Any material that is designed to be part of a house or building is considered DRC.

*Disposal fees can be paid by Eco Card. Cash is not accepted.
