GENERAL LOCAL ELECTIONS: OCTOBER 15, 2022

General Voting Day is on October 15, 2022. Know whether you can vote, find out where and when to vote, and most importantly: exercise your democratic right... vote!

You must meet the following requirements to be eligible to vote:

- 18 years of age or older on General Voting Day;
- Canadian citizen;
- resident of B.C. for at least 6 months immediately before the day of registration;
- resident of, or registered owner of real property for at least 30 days in the TNRD Electoral Area; and
- not disqualified under the Local Government Act or any other enactment from voting in the assent voting and not otherwise disqualified by law.

On General Voting Day, polling stations across the TNRD will be open from 8 am to 8 pm. There are several alternatives that voters will have as well:

- **Advanced Voting Day:** October 5, 2022, 8 am to 8 pm, located at the TNRD Civic Building 4th Floor (465 Victoria St., Kamloops, B.C.).
- **Mail Ballot Voting:** Mail ballot voting is available for resident and non-resident voters in the TNRD. Voters will need to sign up through an online form available on the TNRD website.
- **Mobile Polls:** Available on select dates between October 6 and 14, 2022, with locations following the TNRL Mobile Library schedule.
- **Pop-Up Polls:** This travelling polling station will be available in select communities on General Voting Day.

For each Electoral Area where there will be an election, a map of polling stations is available on the TNRD's General Elections 2022 webpage. Visit www.tnrd.ca/elections-2022 to learn more.

MANDATORY RECYCLABLES BYLAW NOW IN EFFECT

Earlier this year, the TNRD implemented a bylaw to reduce the amount of recyclable cardboard currently being landfilled, and enforcement is now in effect for large commercial and municipal haulers. Fines may be issued for commercial loads containing more than the 10% allowable threshold of recyclable cardboard.

For more information on Mandatory Recyclable Material Bylaw No. 2743 and recycling opportunities within the TNRD, please visit www.tnrd.ca/mandatory-recycling or call the TNRD at 1-877-377-8673.

DID YOU KNOW?

You can recycle paint, microwaves, fridges, freezers, used oil, tires, car batteries and more, **for free**, at all TNRD Eco-Depots. Learn more by visiting www.tnrd.ca/accepted-materials

FIRESMART IN THE TNRD

The TNRD is pleased to have Jeremy Denny as the first Fire Training Officer and FireSmart Coordinator. Denny has been involved with Emergency Response for more than 20 years and has been in Fire Protection for 10 years. He maintains his boots-on-the-ground position as Captain and Training Officer for the Shuswap Fire Department. Denny also started the Columbia-Shuswap Regional District junior fire program in 2017.

As part of Jeremy's role, the TNRD will be developing and delivering a regional FireSmart program to all Electoral Areas. FireSmart is a national program with an abundance of resources, programs and training to help reduce the risk of interface fires for property owners and their communities.

FireSmart programming has been delivered by the TNRD, but capacity has been limited in recent years due to frequent activation of the Emergency Operations Centre and emergency recovery. This newly created position ensures we have the staff capacity to ensure FireSmart programming is improved and expanded.

Stay tuned in 2023 for new programs and supports available to TNRD residents, and welcome to Jeremy! www.tnrd.ca/firesmart

INTRODUCING THE BOSTON FLATS ECO-DEPOT

Later this year, the TNRD will be welcoming area residents to the new full-service Boston Flats Eco-Depot, providing improved waste management for residents and businesses in the area.

The Boston Flats Eco-Depot replaces the Cache Creek Transfer Station, and will better meet the needs of residents by providing additional services and greater capacity. The Eco-Depot will have expanded operating hours, an expanded list of accepted materials, and a scale to provide more accurate billing to customers.

Located at 1180 Campbell Hill Drive East, this new location is accessible and conveniently located on the east side of Highway 1, across from the old Cache Creek Transfer Station and landfill site.

The Eco-Depot is open year-round from Tuesday thru Sunday, from 8 am to 4 pm (excluding Christmas Day, Boxing Day and New Year's Day). Customers can pay by credit, debit, Eco-Card or charge account.

Find more information online, by visiting www.tnrd.ca/garbage-recycling.

EXPANDED SOLID WASTE FACILITY HOURS

This year, summer hours at the 70 Mile Eco-Depot and Loon Lake Transfer Station will be in place for an extra month, respectively. Both facilities will transition to winter hours beginning on November 1, 2022. This will result in an additional 64 hours of availability at each site during October.

These changes were approved by the Board of Directors following a review of solid waste facility hours in 2021, which included a public survey.

NEW HOURS: 70 MILE ECO DEPOT

YOUR LIBRARY NEWS

Each year, the TNRL holds a local residency program where we bring in a Canadian writer, musician, or screenwriter to host workshops for the public and work one-on-one with local writers and artists. This fall, we are pleased to have three talented musicians for our first ever Musician in Residence series: Jeremy Kneeshaw, Margit Gossage and Tina Hebner. For more information, please visit www.tnrl.ca/library-experiences.

Fall programs have begun at libraries throughout the TNRL! Visit your nearest library or go online to www.tnrl.ca/calendar to learn more.
